

Dear CEDARS Data Warehouse Trainers,

As the CEDARS team prepares for the coming year, we'd like to know if you are still considered the CEDARS Data Warehouse (CDW) Trainer for your LEA/Charter School. The link below opens to a spreadsheet with the contact information you provided last fall. Feel free to update any contact information as needed. Notice the last two columns: 'Are you still this LEA's Trainer?' and 'If you are no longer the LEA Trainer, please update this spreadsheet with your LEA/Charter's new trainer contact information.' If you answer 'No' regarding the question 'Are you still this LEA's Trainer?', we will remove you from future communications specifically for the trainer group. You will still receive external CEDARS communications.

We will leave the contact information document open for editing until the afternoon of June 22.

Thank you again for your participation last year.

Please be on the lookout for additional communications this summer.
